It can be hard to capture the beauty of sunset in a photo – trust me, I try all the time! But when you do manage to get that perfect shot that represents the dancing light and vivid colours, you're going to need the perfect sunset caption to go along with it. When I Admire the wonders of a sunset , my soul expands in the worship of the creator. This sunset is from Krushna lake ,Mangalwedha Which was built in era of Adilshah Sultanat. This lake water sprinkling like diamonds in light . The sun was gradually going down and by the time it almost disappeared the sky had patterned of different colours from light purple to dull blue.

The Indian farmer grows crops not just for his own family but for all the families of our country. He works hard in the farms in all weathers. He does not care about his health. His wealth is his crop. He lives a humble life in a small house. At times, he does not even realise the true worth of his grain. He is very often cheated by the moneylenders and paid a pittance for the grains he sells. If the farmers were to give up their occupation, then the people of our country would starve to death. Therefore, we need to realise and acknowledge the importance of the people who feed us.

GANESH FESTIVAL REPORT

Ganesha is known as the God of wealth, sciences, knowledge, wisdom and prosperity, and that's why most Hindus remember him and seek his blessings before starting any important work. Lord Ganesh is known by 108 different names like Gajanana, Vinayaka, Vighnaharta among others. Ganesh Chaturthi, also called Vinayaka Chavithi, is an auspicious Hindu festival which is celebrated for 10 days every year

The festival is celebrated in the Bhadra month as per the Hindu calendar which generally falls in mid-August to September. It is believed that devotees who pray to Ganesha are able to fulfil their wishes and desires. So, the main essence of Ganesh Chaturthi is that devotees who pray to him are set free of sins and it leads them on the path of knowledge and wisdom

Historically, the festival has been celebrated since the time of King Shivaji. It was during India's freedom struggle that Lokmanya Tilak changed Ganesh Chaturthi from a private celebration to a grand public festival where people from all castes of the society can come together, pray and be united

Principal Prof (Dr) M G Saralaya sir guided the students about celebration of Ganesh Festival and it's important. With same spirit our college have also celebrated Ganesh Chaturthi from 10/09/2021 to 21/09/2021 Ganesh Murti Stapna was done on 10/09/2021 in our ADCET premises. Students of all year with their respective committee made overall decoration for festival and Stapna was carried out. Every day all the students and staff use to gather and do the Aarti of Lord Ganesha and take the blessing for over development of the college and the students

During this festival students understood the how to do the team work, communication skill and leadership skill Such kind of festival will develop the students in different angels which will help our students in their life to rule out the hurdles Over all the festival was carried out for 10 days and at the end of 10 day Ganesh Visargen was done

REPORT

CHHATRAPATI SHIVAJI MAHARAJ JAYANTI 2022

Chhatrapati Shivaji Maharaj who we all know as the founder of the Hindavi Swaraj, has been a continuous source of inspiration to all the thousands of not only Maharashtrian people but also to those who are foreign. Chhatrapati Shivray had sculpted an entire kingdom which was free from Mughal regime which was a huge challenge as the whole of India was ruled by Mughals and other similar foreign invasions. We know Maharaj only as a king, but he was more than that. He was a king, visionary, a great administrator, economist and a compassionate but a fierce patriot who for his sheer love for country, arose a great rebellion after a long history of 800 years of tyranny and cruelty

On the occasion of birth Anniversary of Chhatrapati Shivaji Maharaj, Chhatrapati Shivaji Maharaj Jayanti was celebrated with a lot of enthusiasm and energy on Saturday 19th February 2022. Students from B & D Pharmacy participated in celebration of Chhatrapati Shivaji Maharaj Jayanti. The event was stated with Shivgarjana followed by Aarti.

Chhatrapati Shivaji Maharaj Jayanti 2020

Chhatrapati Shivaji Maharaj who we all know as the founder of the Hindavi Swaraj, has been a continuous source of inspiration to all the thousands of not only Maharashtrian people but also to those who are foreign. Chhatrapati Shivaji Maharaj had sculpted an entire kingdom which was free from Mughal regime which was a huge challenge as the whole of India was ruled by Mughals and other similar foreign invasions. We know Maharaj only as a king, but he was more than that. He was a king, visionary, a great administrator, economist and a compassionate but a fierce patriot who for his sheer love for country, arose a great rebellion after a long history of 800 years of tyranny and cruelty

On the occasion of birth Anniversary of Chhatrapati Shivaji Maharaj, Chhatrapati Shivaji Maharaj Jayanti was celebrated with a lot of enthusiasm and energy on Wednesday 19th February 2020. Students from B & D Pharmacy participated in celebration of Chhatrapati Shivaji Maharaj Jayanti. The event was started with Shivgarjana followed by Aarti.

GANESH FESTIVAL REPORT

Ganesha is known as the God of wealth, sciences, knowledge, wisdom and prosperity, and that's why most Hindus remember him and seek his blessings before starting any important work. Lord Ganesh is known by 108 different names like Gajanana, Vinayaka, Vighnaharta among others. Ganesh Chaturthi, also called Vinayaka Chavithi, is an auspicious Hindu festival which is celebrated for 10 days every year

The festival is celebrated in the Bhadra month as per the Hindu calendar which generally falls in mid-August to September. It is believed that devotees who pray to Ganesha are able to fulfil their wishes and desires. So, the main essence of Ganesh Chaturthi is that devotees who pray to him are set free of sins and it leads them on the path of knowledge and wisdom

Historically, the festival has been celebrated since the time of King Shivaji. It was during India's freedom struggle that Lokmanya Tilak changed Ganesh Chaturthi from a private celebration to a grand public festival where people from all castes of the society can come together, pray and be united

With positive spirit our college have also celebrated Ganesh Chaturthi from 13/09/2018 to 21/09/2018 Ganesh Murti Stapna was done on 21/09/2018 in our ADCET premises. Students of all year with their respective committee made overall decoration for festival and Stapna was carried out. Every day all the students and staff use to gather and do the Aarti of Lord Ganesha and take the blessing for over development of the college and the students

During this festival students understood the how to do the team work, communication skill and leadership skill Such kind of festival will develop the students in different angels which will help our students in their life to rule out the hurdles Over all the festival was carried out for 10 days and at the end of 10 day Ganesh Visargen was done

Report

Chhatrapati Shivaji Maharaj Jayanti 2019

Chhatrapati Shivaji Maharaj who we all know as the founder of the Hindavi Swaraj, has been a continuous source of inspiration to all the thousands of not only Maharashtrian people but also to those who are foreign. Chhatrapati Shivray had sculpted an entire kingdom which was free from Mughal regime which was a huge challenge as the whole of India was ruled by Mughals and other similar foreign invasions. We know Maharaj only as a king, but he was more than that. He was a king, visionary, a great administrator, economist and a compassionate but a fierce patriot who for his sheer love for country, arose a great rebellion after a long history of 800 years of tyranny and cruelty

On the occasion of birth Anniversary of Chhatrapati Shivaji Maharaj, Chhatrapati Shivaji Maharaj Jayanti was celebrated with a lot of enthusiasm and energy on Tuesday 19th February 2019. Students from B & D Pharmacy participated in celebration of Chhatrapati Shivaji Maharaj Jayanti. The event was stated with Shivgarjana followed by Aarti.

Carrom competition 2018-19

(Under lead college scheme of Shivaji university, Kolhapur)

Rules and Regulations

Carrom Rules

These rules are taken from the International Carrom Federation .

For single (Entry of 1 boy + 1 girl) & For double (Entry of 2 boys + 2 girls).

How to Play

Two, three or four people can play. In singles, your opponent sits across from you; in doubles, you play opposite your partner. With three, you can play for points (blacks count one, whites count two, the queen counts five.)

How to arrange the pieces on the board

Line up the double whites to aim 'dead-on' into a corner pocket.

Whoever plays first, or breaks, is always white. The object of the game is to sink all of your pieces, using the heavier 'striker', in any of the pockets before your opponent. Your turn continues as long as you keep sinking your pieces - luck shots count and all combinations are permitted.

When placing the striker on the board to shoot, the striker must touch both 'base lines' (see left diagram), either covering the red circle completely, or not touching it at all. The striker may not touch the diagonal arrow line.

Shooting styles are very personal - whichever 'grip' works for you is fine as long as you 'flick' the striker and don't push it. Generally, it's best to orient your body in order to see the line of your aim while shooting comfortably; you may not move or leave your chair.

For forward shots, you can use your index finger, middle finger, or even the 'scissors' shot (right).

Tip on technique: Before shooting, try touching the striker with your fingernail, to be sure that it's really on line. This will improve your accuracy and prevent you from hurting your finger.

For 'back-shots' you may only use your thumb or the scissors technique.

No part of your body, except your hand, may cross the imaginary diagonal line (wrong in illustration) nor may your elbow protrude over the frame in front of you. Even your feet or knees may not leave your quadrant.

The red piece, or 'queen,' can be pocketed at any time after sinking your first piece but must be sunk before your last one. After pocketing the queen, you must

sink one of your pieces, thereby 'covering' it, into any pocket in the next shot, or she is returned to the center spot.

Once the queen is covered, whoever clears their pieces first wins the 'board'.

The winner of a board collects one point for each of the opponent's pieces left at the finish and three points for the queen if covered by the winner (if covered by the loser, no-one gets those points). No more points are collected for the queen after your score reaches 22.

A game consists of 25 points or eight boards, whichever comes first.

MISCELLANEOUS RULES

* Sinking the striker costs you one piece and your turn. But, if you sink a piece in the same shot, then two come up and you shoot again.

* After sinking the striker, your opponent places the due piece(s) within the center circle. If you haven't sunk one yet, you owe one.

* If while shooting for the queen you also sink one of your pieces, the queen is automatically covered, no matter which went first.

* If a piece jumps off the board, it is placed on the center spot. If pieces land on end or are overlapping, they are left that way.

* If the center spot is partially covered when replacing the queen or a jumped piece, the piece should cover as much red as possible. If totally covered, the piece is placed opposite the next player behind the red spot.

* If you sink your opponent's piece, you lose your turn. If you sink their last piece, you lose the board and three points.

* If you sink your last piece before the queen, you lose the board, three points and one point for each of your opponent's pieces left.

* If the striker does not leave both lines, go again. You get three tries to break before losing your turn.

GANESH FESTIVAL REPORT

Ganesha is known as the God of wealth, senescence, knowledge, wisdom and prosperity, and that's why most Hindus remember him and seek his blessings before starting any important work. Lord Ganesh is known by 108 different names like Gajanana, Vinayaka, Vighnaharta among others. Ganesh Chaturthi, also called Vinayaka Chavithi, is an auspicious Hindu festival which is celebrated for 10 days every year

The festival is celebrated in the Bhadra month as per the Hindu calendar which generally falls in mid-August to September. It is believed that devotees who pray to Ganesha are able to fulfil their wishes and desires. So, the main essence of Ganesh Chaturthi is that devotees who pray to him are set free of sins and it leads them on the path of knowledge and wisdom

Historically, the festival has been celebrated since the time of King Shivaji. It was during India's freedom struggle that Lokmanya Tilak changed Ganesh Chaturthi from a private celebration to a grand public festival where people from all castes of the society can come together, pray and be united

With positive spirit our college have also celebrated Ganesh Chaturthi from 25/08/2017 to 05/09/2017. Ganesh Murti Stapna was done on 05/09/2017 in our ADCET premises. Students of all year with their respective committee made overall decoration for festival and Stapna was carried out. Every day all the students and staff use to gather and do the Aarti of Lord Ganesha and take the blessing for over development of the college and the students

During this festival students understood the how to do the team work, communication skill and leadership skill. Such kind of festival will develop the students in different angels which will help our students in their life to rule out the hurdles. Over all the festival was carried out for 10 days and at the end of 10 day Ganesh Visargen was done

Chhatrapati Shivaji Maharaj Jayanti 2018

Chhatrapati Shivaji Maharaj who we all know as the founder of the Hindavi Swaraj, has been a continuous source of inspiration to all the thousands of not only Maharashtrian people but also to those who are foreign. Chhatrapati Shivray had sculpted an entire kingdom which was free from Mughal regime which was a huge challenge as the whole of India was ruled by Mughals and other similar foreign invasions. We know Maharaj only as a king, but he was more than that. He was a king, visionary, a great administrator, economist and a compassionate but a fierce patriot who for his sheer love for country, arose a great rebellion after a long history of 800 years of tyranny and cruelty

On the occasion of birth Anniversary of Chhatrapati Shivaji Maharaj, Chhatrapati Shivaji Maharaj Jayanti was celebrated with a lot of enthusiasm and energy on Monday 19th February 2018. Students from B & D Pharmacy participated in celebration of Chhatrapati Shivaji Maharaj Jayanti. The event was stated with Shivgarjana followed by Aarti.
