RESEARCH POLICY

Vision

"To create competent pharmacy professionals who can efficiently contribute for the healthcare system of society and to the pharmacy profession."

Mission

- 1) To provide student centric active innovative learning environment, with strategically planned quality pharmacy education consistent with the policies of state and nation.
- 2) To nurture and inculcate the team spirit, research, innovation, creativity and entrepreneurship.
- 3) To strengthen Industry- Institute and Institute -Institute interaction for the overall development of students.
- 4) To help the students to disseminate acquired knowledge through the fullest commitment for health care services.

Programme Educational Objective

On successful completion of undergraduate (B. Pharm) program, the graduates shall be able to-

- 1) Conclusively demonstrate knowledge, skills, attitude and competencies for successful recruitment in various health care related organizations
- 2) Realize the vastness of knowledge and pursue higher education in eminent institutes to explore their research and management skills.
- 3) Plan and Commence with small start-ups in medicine and health care services.
- 4) Participate voluntarily in non-monetary public welfare activities.

RESEARCH POLICY

Preamble

Expansion in scientific knowledge is an indication of man's insatiable appetite for truth, knowledge, and finding solutions to pressing problems that face humanity. Scientific and technological innovation is often initiated at the institute level by nurturing a prime research environment. Research and developmental activities creates and disseminates new knowledge in a range of fields, promotes innovation and promotes better learning and teaching among faculties and students of our college as these are eventually incorporated in the courses. Thus research serves as the foundation of knowledge, creating state of the art facilities, promoting research publications, developing collaborations and translates the teaching community into active torch bearers of the society. Taking these mission objectives into considerations, the institute has framed "Research Policy" and said policy has been approved by Board of Governors in their meeting No: 04 (Agenda Item No: 08; Resolution No: 08) and will come in force from 25/04/2018.

ADCBP RESEARCH POLICY

1. Purpose

The purpose of the Research Policy is to create a vibrant atmosphere of research among faculty and researchers in Annasaheb Dange College of B Pharmacy, Ashta. The policy shall serve as an overall framework within which research activities may be carried out.

2. Scope

This Research Policy is implementable in the institute.

3. Research Strategy:

- The research strategy identifies the research goals and defines the action plan required to achieve these goals. The goals for research are mentioned below:
- Enhance the quality of research and the university research profile.
- Enhance external and internal funding for research.
- Promote scholarship/ fellowship schemes for researchers.
- Support national, regional and industry-specific research and development policies.
- Encourage research under MoUs and linkages.

4. Objectives

- To create an enabling environment within Annasaheb Dange College of B Pharmacy, Ashta in order to foster a research culture as well as provide required support through research framework and guidelines.
- To ensure high level of efficient and effective support system to facilitate faculty and researchers in their research activities.
- Ensure publications in quality journals, indexed in Scopus/Web of Science and/or with impact factor.
- To nurture an environment of undertaking socially useful healthcare research with potential for commercialization.
- Establish Research Centers within Annasaheb Dange College of B Pharmacy, Ashta with potential for Excellence.
- Forge interdisciplinary collaborations and partnerships nationally and globally.

5. Policy and Guidelines

▪ Undertaking Research

- Faculty members of Annasaheb Dange College of B Pharmacy, Ashta and research departments are expected to undertake research, leading to quality publications, presentations in national/international conferences of repute, generation of Intellectual property with potential for commercialization, socially useful outcome and other similar activities.

ADCBP

ADCBP RESEARCH POLICY

- **Obligations of faculty and researchers:**
 - Research output will be considered one of the criteria for faculty recruitment and promotion along with other academic responsibilities.
- **Recruitment and Promotion:**
 - Annasaheb Dange College of B Pharmacy, Ashta shall recruit such faculty members and researchers who have demonstrable/demonstrated capability in research. Faculty promotion may significantly depend on research undertaken. The quality of research output, especially research publications, may be assessed on the established yardsticks such as Impact Factor (IF) and which will be revised from time-to-time as appropriate.
- **Research Management:**
 - Overall management of research activities may be coordinated by Research Head, Annasaheb Dange College of B Pharmacy, Ashta under direct supervision of head of the institute.
 - Each department research activities will be coordinated by HOD or the nominations from each department.

6. Research Initiation and Research Strengthening:

- The institute offers support to young faculty of institute to undertake research projects under 'Research Initiation Scheme'. This scheme is available from institute funds. The research proposals from teachers and students are invited. The selected project is given with seed money to carry out the research activities.
- Institute promotes publication / presentation of research project /paper by student and staff in the State level, national, international conferences, seminar etc. Institute offers support of maximum 50% of total cost including registration fee, travelling charges etc.
- Research grants or funds fetched from the government and non government funding agencies will be utilized to serve the purpose of research project.

7. Rights and Responsibilities in the Conduct of Research

- **Responsibilities of Research Guide and Teachers:**
 - The institute is committed to demonstrate support and appreciation for its students, teachers and staff members for achieving research goals through mutual cooperation. Teachers and research guides must facilitate compliance of this policy in all academic and research activities. The Head/Coordinator of the Department, Research Guide and senior teachers shall ensure that a research climate of mutual cooperation is created so that members of a research team are encouraged to develop their skills and exchange of ideas. Teachers and research guides also need to ensure that approved research protocols are

ADCBP RESEARCH POLICY

followed. Faculty members must be aware of their duties and responsibilities towards students and staff working as a part of the research team. It is particularly important that at least annually, each research guide shall review intellectual and tangible property rights and responsibilities (for management of data in all media, for proper authorship attribution, etc.) with all members of the research group under his or her direction.

▪ Responsibilities of Research Students:

- All students engaged in research and those engaged in research within and/or for the institute, must familiarize themselves with the research policy and ensure that its provisions are observed. Researchers are expected to understand and apply the following principles:
- Researchers shall be honest in respect of their own actions in research. This applies to the whole range of research work including designing of experiments, generating and analyzing data, applying for funding, publishing results, and peer reviewing the work.
- Researchers are accountable to the society, their profession, the institute where the research is taking place including the stakeholders involved and in particular, the sponsoring /funding agencies. The institute expects all researchers including research students, project fellows, etc. to observe the standards of research practice set out in guidelines published by scientific, learned societies, and other relevant professional bodies.
- Plagiarism, deception, fabrication of results and misrepresentation will be considered as serious offence, which can lead to disciplinary action as laid down by the University authority. Researchers are to report such cases of misconduct in an appropriate manner.
- Researchers should sensibly consider the potential negative consequences on their ongoing research activities, outcomes or outputs which impacts human and surrounding environment. Such research projects should be avoided to reduce the risk.

▪ Researchers aspire to the highest degree of integrity in their research through:

- Complying with the highest standards of scientific research Acknowledging and carefully indicating the limitations of their methods and findings.
- Avoiding misrepresentation in the dissemination of research findings and methodology.
- Non fabrication of data or information.
- Designating authorship of consulted research sources clearly, accurately and justly in research publications.
- Committing no form of plagiarism or

India.

We are glad for your interest towards the conference. We thank you for submitting abstract titled "Novel psyllium husk based plug in capsule device for pulsatile release from meloxicam beta-cyclodextrin-pectin ternary complex for the treatment of rheumatoid arthritis." for presentation at 2nd International Conference on Innovation in Drug Development and Clinical Pharmacy" during 17 & 18 February 2020 Hyderabad, India

Organizing Committee has reviewed your abstract and felt that it fits in to the theme of conference "Challenges & opportunities in transforming the Pharma industry" and will be included in appropriate session.

Once the programme is finalized, you will be intimated of exact date and time of your presentation. You may visit the following link for registration and further details: <https://www.endlingconferences.com/pharma2020/register.php>

Your presentation will add value to the conference and deliberations will help to make the event remarkably successful.

Looking forward to meeting you at the conference

Thank you,

Best Regards

Audit Report

We have audited the accounts of "Annasaheb Dange College of B. Pharmacy, Ashta"(excluding its D Pharmacy wing), Taluka - Walwa, District - Sangli – 416301 which is a unit/branch of parent body - Sant Dnyaneshwar Shikshan Sanstha Islampur, Taluka - Walwa, District – Sangli, Registered Trust No. F - 1546 for the period 01-04-2019 to 31-03-2020 and annexed herewith the audited Receipt & Payment A/c, Income & Expenditure A/c for the year ended on 31-03-2020 and Balance Sheet of the said unit/branch as on 31-03-2020.

We have conducted our audit in accordance with the auditing standards generally accepted in India. Those standards required that we plan & perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining on a test check basis, evidence supporting the amount and disclosures in the financial statements. And audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial statements presented. We believe that our audit provides a reasonable basis for our opinion.

Auditor's responsibility -

Our responsibility is to express an opinion on these financial statements based on our audit. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the institution's preparation and presentation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the institution has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Report on required matters as per Fee Regulation Authority –

1. Reporting of Method of Accounting -

During the Financial Year 01-04-2019 to 31-03-2020 the educational institute has followed the mercantile system of accounting as recommended by the FRA in its guidelines.

2. Reporting of Segment Accounting -

a) About Geographical Segmentation -

The area of operation of the educational institute is restricted to only one place situated at "Ashta", Taluka Walwa, District Sangli, Maharashtra State and hence there is no requirement of geographical segmentation for the courses conducted by the institute.

b) About Business Segmentation -

The educational institute runs two course of B. Pharmacy as well as D. Pharmacy wing at Same premises. The business segmentation require to show its two separate courses i.e. 1) B. Pharmacy & 2) D. Pharmacy wing and accordingly the two set of books of accounts have been maintained separately for each course. For the purpose of determination of students fees of both courses the financial statements of each course are prepared separately.

Accordingly only for the purpose of determination of fee i.e. B Pharmacy course the Receipt and Payment Account, Income and Expenditure Account and Balance Sheet as on 31-03-2020 of B. Pharmacy Course (excluding its D Pharmacy wing) are prepared & reported upon along with the necessary schedules.

3. The educational institute has kept proper books of accounts required for the purpose of conducting audit for the relevant course i.e. B. Pharmacy (excluding its D Pharmacy wing).

4. While conducting the audit, we have observed that the internal control system is deficient in respect of expenses incurred and considering the size & volume of the transactions of the institute it is necessary to improve it adequately to safeguard the interest of the educational institute.

5. Subject to above; in our opinion and according to the information and explanation given to us the accounts give true and fair view –
- In the case of the Balance Sheet the state of affairs of the educational institute as at 31st March, 2020.
 - In the case of Income and Expenditure of the Surplus of the educational institute for the year ended on that date.

Audit Report

We have audited the accounts of "Annasaheb Dange College of B. Pharmacy, Ashta" Taluka - Walwa, District - Sangli- 416301 which is a unit/branch of parent body - Sant Dnyaneshwar Shikshan Sanstha Islampur, Taluka - Walwa, District - Sangli, Registered Trust No. F - 1546 for the period 01-04-2021 to 31-03-2022 and annexed herewith the audited Receipt & Payment A/c, Income & Expenditure A/c for the year ended on 31-03-2022 and Balance Sheet of the said unit/branch as on 31-03-2022.

We have conducted our audit in accordance with the auditing standards generally accepted in India. Those standards required that we plan & perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining on a test check basis, evidence supporting the amount and disclosures in the financial statements. And audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial statements presented. We believe that our audit provides a reasonable basis for our opinion.

Auditor's responsibility -

Our responsibility is to express an opinion on these financial statements based on our audit. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the institution's preparation and presentation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the institution has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

The Audit Report has covered basic & general requirements as directed by Fee Regulation Authority of Maharashtra

1. Reporting of Method of Accounting -

During the Financial Year 01-04-2021 to 31-03-2022 the educational institute has followed the mercantile system of accounting as recommended by the FRA in its guidelines.

2. Reporting of Segment Accounting -

a) About Geographical Segmentation -

The area of operation of the educational institute is restricted to only one place situated at "Ashta", Taluka Walwa, District Sangli, Maharashtra State and hence there is no requirement of geographical segmentation for the courses conducted by the institute.

b) About Business Segmentation -

The educational institute runs two course of B. Pharmacy as well as D. Pharmacy wing at Same premises. The business segmentation require to show its two separate courses i.e. 1) B. Pharmacy & 2) D. Pharmacy wing and accordingly the two set of books of accounts have been maintained separately for each course. For the purpose of determination of students fees of both courses the financial statements of each course are prepared separately.

Accordingly only for the purpose of determination of fee of B. Pharmacy course the Receipt and Payment Account, Income and Expenditure Account and Balance Sheets on 31-03-2022 of B. Pharmacy Course (excluding its D Pharmacy wing) are prepared & reported upon along with the necessary schedules.

3. The educational institute has kept proper books of accounts required for the purpose of conducting audit for the relevant course of B. Pharmacy

4. While conducting the audit, we have observed that the internal control system is deficient in respect of expenses incurred as some expenses have been incurred in cash instead of paying them by way of cheques and considering the size & volume of the transactions of the institute it is necessary to improve it adequately to safeguard the interest of the educational institute.
