8. Assessment will be conducted on group discussion and personal interview

Day 1 (7th march 2022)-

The session was conducted by chief resource person Mr. Kalyan Kumar & Ms. Bhakti Phadte from Rubicon Skill Development Pvt. Ltd. During the first session of the workshop Mr. Kalyan Kumar & Ms. Bhakti Phadte taught about the self introduction i.e. How to introduce you in a unique way that creates an impact on the interviewer or the HR of the company.

Trainer also gave the knowledge about how to know our strengths and weaknesses. The importance of soft skills was given in this session like : strong work ethic, positive attitude, good communication skills, time management abilities, problem solving skills, acting as a team player, interpersonal relations and self confidence, ability to accept and learn from criticism, flexibility/adaptability, working well under pressure.

In this session students played some games that gave us information about what is teamwork. When students played game they actually learned about teamwork and leadership i.e. the session gave introduction about teamwork and leadership.

After that in this session students learned about body language. 80-85% body language impacts on interview. It starts from how to walk and end at how to sit or what should be the students style/dress up (this was included in grooming session) and so on. In short, the body language reflects our personality.

Day 2(8th march 2022)-

In the second session, Trainers taught about grooming. What is grooming? What kind of clothes, accessories students should wear during interview? Students should wear formals during PI's, GD, etc. Grooming must be perfect and proper.

During this session, students learned about Do's and Don'ts of Body Language and Grooming. In this session, they also learned about Presentation Skills. What are the steps of Presentation, How to give effective presentations. The steps are as follows:

- Plan
- Preparation
- Practice
- Performance
- Questions

Elements of dynamic presentation are body language (63%), Voice (29%), and content (8%). Do's and Don't's while preparing for a presentation were discussed in this topic.

In the afternoon of 2nd day, we had new topic which was Group Discussion. The Group Discussion was the one of the most important topic while preparing for a company's interview because in each company there is Group Discussion Round were held to check our knowledge on that particular topic.

Day 3 (9th march 2022)-

On the 3rd they taught about resume writing i.e. resume building what are Do's and Dont's of resume building, what points students should include in our resume. How unique students can make resume. That all the information was given during the session.

Also they discussed about email etiquettes that includes how to write mail, what is CC and BCC. Is they are important?, How to write formal mail, what are elements of mail, was covered under this topic.

On that day at afternoon session they discussed about personal interview skills. The topic covers following point:

First Impression:

Student's body language, eye contact, tone of voice and ability to listen to others all make you a great communicator. A warm smile and the ability to give sincere compliments go a long way in endearing others. These are the examples of first impression that are impactful and memorable. Students also discussed about the Do's and Dont's while preparing for personal interview.

Day 4 (10th march 2022)-

During this 4th day of workshop at morning session, students were prepared for personal and mock interviews were conducted by resource person Mr. Kalyan Kumar & Ms. Bhakti Phadte. Afterwards, in the afternoon session students were organized one event named as "Showcase" in that students were performed on the chapter or topic that they learned from 3 days workshop i.e.

self introduction with our strengths and weaknesses, teamwork, leadership, presentation skills, body language, GD, PI, mail etiquettes, resume building, etc.

Students were presented the showcase of workshop in great manner. All the topics we learned during 4 days were very effective and beneficial for students future.

At the end of workshop Ms. Janvi Tanna, Ms. Anjali Chabukswar, Mr. Prathmesh Patil, Ms. Vaishnavi Pawar, Mr. Prathmesh Kundale, Ms. Snehal Kore, representative students of Final Year B. Pharm were shared experiences of workshop.

Overall anchoring of Workshop was done by Mr. Sandip Honmane.

At the end of program Mr. Ashish K. Mullani, TPO gave vote of thanks.

The program ended on 10th March, 2022, at 5.00 pm.

All teaching and non-teaching staff members were present and taken efforts for making the program successful.

Subject: - Invitation to conduct IPR Awareness Program in your esteemed institution/school under National Intellectual Property Awareness Mission (NIPAM).

Dear Sir,

Our Nation is commemorating the 75th Anniversary of India's Independence under the banner of "Azadi ka Amrit Mahotsav", and Government of India has taken initiative of National Intellectual Property Awareness Mission (NIPAM) under which awareness and training would be imparted to 1 million students on Intellectual Property Rights (IPRs) during the period from 15 August 2021 to 15 August 2022.

As part of said Mission, the Office of Controller General of Patents, Designs and Trade Marks hereby invites your esteemed institution/school to conduct Intellectual Property Right awareness program in your institution/school. The said program is of 30-40 minutes duration wherein the students would be exposed to different types of Intellectual Property Rights (IPRs) and they would be enlightened and motivated to convert their ideas into innovation and further transformation into IP assets through protection of their IP rights. After completion of the said program every participant including the organization shall be awarded with e-certificate from the competent authority.

A line of confirmation on the above said proposal is highly appreciated. You are requested to contact **Dr. Ajay Thakur** (Team Leader) on 9768884980 ajaythakur.ipo@nic.in Or **Shri. Amol Ravindra Patil** (NIPAM Officer) on 8446317325 or arpatil.ipo@gov.in Or Miss **Ujjwal** (NIPAM Officer) on 9953991842 or Ujjwal.ipo@gov.in for further information at the earliest. Awaiting your kind co-operation in this regards,

Conclusion

- Increased patenting activity related to diabetes, cancer, cardiovascular diseases, asthma and arthritis in India and abroad.
- A majority of herbal patents applications and grants in India are with individual inventors.
- Claim analysis indicates that these patents include novel multi-herb compositions with synergistic action.
- Indian research organizations are more active than companies in filing for patents
- Patents by research organizations and the herbal companies are on development of new processes for active compound isolation and standardization of such components in addition to new compositions for therapeutic use.
- Pharmaceutical companies such as Ranbaxy, Lupin and Panacea Biotec are increasingly patenting on herbal drugs.

Take Home Message

- If you want to go for MS, choose schools/colleges with funding or partial scholarships or in-state tuition fees
- Better choice would be MS-PhD integrated programs which offer full scholarship
- Most PhD programs offer full funding for entire PhD programs and B.Pharm students are eligible for direct PhD admissions
- Having a work experience in India/elsewhere before coming to US helps in securing a job after studies.
