Respected Ma'am/Sir,

Greetings from Rubicon!

It is my pleasure to introduce Rubicon; Rubicon was inception with a dream of a world where every youth has the power to transform lives for themselves and others around them. We strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. We build competencies, which would help youth seek careers and prosper in their career of choice. We bring excitement into learning by developing and harnessing their curiosity and intrinsic motivation for learning.

Rubicon's "LifeSkills" Program, supported by Barclays aims at improving the employability skills of the youth. This initiative is supported by Barclays. Under this program, students will be trained by Corporate Trainers to enhance their Life skills which would help them significantly to increase their chance of succeeding in a job interview. This program is being launched with limited no of colleges in India.

We are looking forward to partner with your institute and plan to run the below initiatives:

1. 24 hrs. classroom training on Interview Skills (Details mentioned below)
2. Industry visit of students to various organizations.
3. Post Placement Mentoring and Career Counselling for one year.

In Life Skills training, we will be covering the below topics:

1. Organizational Structure
2. Public Speaking
3. Presentation Skills
4. E-mail Etiquette
5. Grooming
6. Group Discussion
7. Personal Interview

Day 2(8th march 2022)-

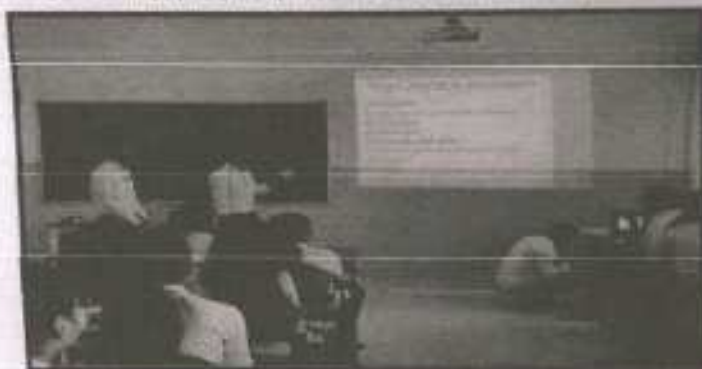

In the second session, Trainers taught about grooming. What is grooming? What kind of clothes, accessories students should wear during interview? Students should wear formal during PT's, GD, etc. Grooming must be perfect and proper.

During this session, students learned about Do's and Don'ts of Body Language and Grooming. In this session, they also learned about Presentation Skills. What are the steps of Presentation, How to give effective presentations. The steps are as follows:

- Plan
- Preparation
- Practice
- Performance
- Questions

Elements of dynamic presentation are body language (63%), Voice (29%), and content (8%).

Do's and Don'ts while preparing for a presentation were discussed in this topic.

In the afternoon of 2nd day, we had new topic which was Group Discussion. The Group Discussion was the one of the most important topic while preparing for a company's interview because in each company there is Group Discussion Round were held to check our knowledge on that particular topic.

Respected Sir/Ma'am,

Greetings from Rubicon

It is my pleasure to introduce Rubicon. Rubicon was inspired with a dream of a world where every youth has the power to transform lives for themselves and others around them. We strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. We build competencies which would help youth seek careers and prosper in their career of choice. We bring excitement into learning by developing and harnessing their curiosity and intrinsic motivation for learning.

Rubicon's "LifeSkills" Program, supported by Barclays aims at improving the employability skills of the youth. This initiative is supported by Barclays. Under this program, students will be trained by Corporate Trainers to enhance their Life skills which would help them significantly to increase their chance of succeeding in a job interview. This program is being launched with limited no. of colleges in India.

We are looking forward to partner with your institute and plan to run the below initiatives:

1. **24 hrs. classroom training on Interview Skills** (Details mentioned below). Out of lockdown this is divided into two parts - 18 hours virtual and 6 hours classroom training. 18 hours of virtual training will be delivered by a Corporate Trainer using Zoom/WhatsApp as a platform - training will be conducted 2 hours per day for 9 days. 6 hours of face to face training will be conducted once the lockdown is lifted and before the campus placement starts.
2. **Industry visit of students to various organizations.**
3. **Post Placement Mentoring and Career Counselling support to placed students for one year.**

In Life Skills training, we will be covering the below topics:

1. Organizational Structure
2. Public Speaking
3. Presentation Skills
4. Email Etiquette
5. Grooming
6. Group Discussion
7. Personal Interview
8. Assessment will be conducted on Group Discussion and Personal Interview.

Deliverables From the college side:

1. College would be assigning a faculty coordinator and a student coordinator for the internship requirement.
2. Faculty coordinator: will be providing updates to students with regards to the Internships & who can co-ordinate with Learntoupgrade Team.
3. Coordinators will be sharing the list of students with us in advance prior to 1 month advance.

Deliverables from Learntoupgrade:

For the above, Learntoupgrade will provide:

1. Learntoupgrade will provide the registration link to the college consisting all the internship details like- duration, fee, agenda and other details.
2. Learntoupgrade will be sharing the registered students list with the college coordinator.
3. Learntoupgrade will be providing a smooth virtual training for registered students with all promised amenities.
4. Learntoupgrade will provide a desertion report and Internship certificate to all participants at the end of the Internship.
5. Learntoupgrade will provide the App access and web portal access to all the students.
6. Learntoupgrade will be provided access of all study material and classes recording with life time access.
7. Learntoupgrade will also assist merit students for further placements
8. Learntoupgrade will conduct 2 free International webinar for the college with the duration of 2days each under the college banner.
9. Learntoupgrade will also organize 1 FDP program free for the college each year in summer along with the certificates.
10. Learntoupgrade will be providing the marketing material, like poster, flex, brochure of internship.

Course Content Computer Aided Drug Design/Discovery

About - Computer-aided drug design plays a major part in hit-finding activities (in silico screening by docking of ligands into protein cavities), optimization, and prediction of potencies and properties of molecules.

Role of computers in Drug Discovery

Representation of Molecular Structures on computers
Computational tools used in drug research
Introduction to drug discovery process
Compound libraries

Drug-Target Interactions

Target identification strategies
Molecular Docking as a tool to explore drug-target interactions
Interaction analysis
Demo: Molecular Docking tutorial

Virtual Screening

Library analysis and Virtual Screening
ADME Screening
Structure Based Screening
Demo: Screening techniques

More tools in drug discovery

Quantitative Structure-Activity Relationship
Pharmacophore Modelling
Statistical and Computational Modelling for Drug Discovery research
Modern tools in Drug Discovery

Recombinant DNA Technology & Genetic Engineering

Course Content

- Module 1: Fundamentals of molecular biology & DNA technology
- Module 2: Introduction to Genetic Engineering
- Module 3: DNA Structure & Gene Expression
- Module 4: Chromosome Structure & Function
- Module 5: Molecular biology techniques (Methods and tools for studying genes)
- Module 6: Recombinant DNA technology: Introduction, cloning vectors, restriction enzymes, DNA libr.
- Module 7: Transgenic Plants & animals
- Module 8: Novel drugs & new therapies for genetic diseases
- Module 9: Gene therapy

CONTENT: AI IN HEALTHCARE

About the course: Artificial Intelligence is widely believed to play a transformational role in healthcare, both in primary as well as in the advanced level. By leveraging AI for clinical decision support, risk assessment, and early prediction, developing revolutionary approach along with data analysis healthcare innovation can be both cheaper and faster. Artificial intelligence could help mitigate the impacts of this severe deficit of qualified clinical staff by taking over some of the diagnostic duties typically allocated to humans.

This workshop envisions to bring on the state of the art in this rapidly moving research area to the students, researchers and industry partners and make impact in shaping of future direction.

Who can attend?

- Undergraduate Students
- Post Graduate Students
- Research Scholars
- Teachers/Faculties from Engineering Schools/Colleges
- Industry Enthusiasts

Content to be covered:

1. AI and ML Application and Foundation
 - Introduction to AI and ML
 - Relation Between AI, ML, BigData
 - Types of ML
2. AI for Disease Diagnosis
 - Types of AI approaches towards Disease Diagnosis
 - Application of AI in Healthcare
3. NLP and Data

Advanced Molecular Docking

About -

Molecular docking has become an important common component of the drug discovery toolbox, and its relative low-cost implications and perceived simplicity of use has stimulated an ever increasing popularity within academic communities. The inherent "garbage-in-garbage-out" defect of molecular docking, however, leads a lot of researchers to dedicate countless hours to the identification of hit compounds that later prove to be inactive. Several considerations that can greatly improve the success and enrichment of true bioactive hit compounds are commonly overlooked at the initial stages of a molecular docking study. This chapter will cover several of these considerations, including protonation states, active site waters, separating actives from decoys, consensus docking and molecular mechanics generalized-Born/surface area (MM-GBSA) rescoring, and incorporation of pharmacophoric constraints, in an attempt to clarify what is, in fact, very complicated and inherent difficulties of a structure-based drug design study.

Content:

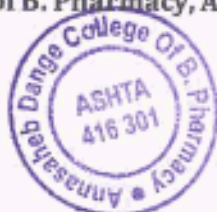

Week 1

Brief introduction to molecular docking
Understanding molecular structures and functions (Chimera)
Exploring Biomolecular Structure Database (PDB)
Exploring Ligand Database (PubChem, Zinc)
Basics of Molecular Modelling
Introduction to Molecular Recognition

Week 2

Docking as a tool to investigate molecular interactions
Binding site analysis and prediction (Castp, AutoLegend)
Docking principles - scoring function
Docking principles - search algorithm
Simple Protein - ligand docking and analysis with autodock and vina (AutoDock Vina, Discovery Studio)

CONTENT: DRUG REGULATORY AFFAIRS

About the course: Regulatory Affairs is a comparatively young, multidimensional and growing profession in the Pharmaceutical field with a desire to protect public health. DRA assures safety and efficacy of pharmaceuticals products, veterinary medicines, medical devices, pesticides, agrochemicals, orphan drugs, cosmetics and complementary medicines. If you are looking to start your career in Drug Regulatory Affairs or Pharma Regulatory Affairs or you are already in this industry without any formal training, the course "Certificate Program in Drug Regulatory Affairs" will certify and train you for the entry-level job positions like DRA Executive, Regulatory Affairs Associate.

This workshop envisions to bring on the state of the art in this rapidly moving and growing area to the students, researchers and industry partners and make impact in shaping of future direction.

Who can attend?

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 17th day of February 2022 by and between.

Annasaheb Dange College of Pharmacy, Ashta, Sangli, Maharashtra, the First Party represented herein by its Principal of Institution Prof. Dr. Mahesh G. Saralaya And Bharati Vidyapeeth College of Pharmacy, Kolhapur, Maharashtra. The Second party and represented herein by its Principal Dr. H. N. More.

WHEREAS:

A) First Party is a Higher Educational Institution named: **Annasaheb Dange College of Pharmacy, Ashta, Sangli, Maharashtra**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Education, Expert Lecture and Research

D) **Bharati Vidyapeeth College of Pharmacy, Kolhapur, Maharashtra** - the Second Party is engaged in Pharmacy education field.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2

SCOPE OF THE MoU

- 2.1 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party as and when required in teaching / training methodology and suitably customize the curriculum so that the students will get quality education.
- 2.3 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.4 **Utilization of facilities:** First & Second Party allow instrumental facilities to the students of both parties on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.5 There is no financial commitment on the part of the **Annasaheb Dange College of Pharmacy, Ashta, Sangli, Maharashtra**, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.
- 2.6 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3

VALIDITY

- 3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

About KARAD City :

Nestling amid hills and rivers, Karad is a picturesque city in Satara district in the Indian state of Maharashtra. It lies at the confluence of holy rivers the Koyana and the Krishna popularly known as Preeti Sangam (Confluence of Love), one of the enthralling tourist sights. A large number of educational institutions are setting up huge premises in and around Karad. Names like Government College of Engineering, College of Agriculture and College of Pharmacy, Krishna Institute of Medical Sciences and S.G.M. College among others, are building its brand as the emerging education hub.

Reaching Karad ...

Karad can be reached by road (NH-48) from Pune by travelling 160 kms. Karad has a railway station on Mumbai-Hubli route. Air services are available up to Pune and Kolhapur.

About Rayat Shikshan Sanstha, Satara :

Rayat Shikshan Sanstha, the mother Institute of Sadguru Gadage Maharaj College, Karad, MH (India) was established by late Padmabhushan Dr. Karmaveer Bhaurao Patil in the year 1919 which is one of the leading institutions in Asia. The Sanstha is celebrating its centenary year in 2019. The value of its contribution to education in general, is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of down trodden, the poor and the ignorant that real form the major bulk of the society. The founder of the institution, late Dr. Karmaveer Bhaurao Patil was a man of masses who devoted all his mind and heart to cause of their education. The institute's motto "Education through self-help" speaks for its emphasis upon the dignity of labor and its social orientation. During the last 90 years or so Rayat Shikshan Sanstha has proliferated to such an extent that, today it runs 42 senior Colleges, 2 B. Ed. Colleges, 1 Engineering college and 1 Law college, 1 Rayat Institute of research and development. The Sanstha also runs 444 secondary schools, 62 primary schools, 47 Pre-Primary schools, 91 hostels, 8 Ashram-Shala (Residential Schools) for Advanali students, 3 Industrial Training Institutes, 7 D. Ed. Colleges, 191 Junior colleges, 7 regional offices and 57 other branches. A total of 12965 devoted staff serve in 14 districts of Maharashtra.

About S.G.M. College, Karad :

The college has been started way back in June, 1954 with only 54 students in a single Arts Faculty. It has been flourished over the years to become a multi-faculty institution with 23 departments, a large number of support services and interdisciplinary activities at present. The campus is spread over about 6.8 hectares. The total student strength of Senior and Junior College is more than 13500. Now college is the one of the biggest and well known multifaculty college in the jurisdiction of Shivaji University, Kolhapur. The college is recognized by the University Grants Commission with 2(f) and 12(b), the college offers diversified programs in the conventional, nonconventional and professional modes. Apart from this the college imparts skill and career-oriented education through 7 COC programs and 27 Short term courses. The college is designated as the Lead College by Shivaji University to lead the cluster of 13 colleges in the vicinity. The college also offers access to distance mode of learning through the center of Yashwantrao Chavan Maharashtra Open University.

Sant Dnyaneshwar Shikshan Sanstha's, Annasaheb Dange College of B. Pharmacy, Ashta NSS unit and Sanjeevan Blood Center, Kolhapur jointly organized "**Blood Donation Camp**" on occasion of birthday of Hon. Annasaheb Dange (Appa) on 07th July 2022, at Seminar Hall, Civil Department ADCET, Ashta.

Through this camp 42 units of blood was donated by both students and the staff members of our ADCBP College. It is a way of Annasaheb Dange B. Pharmacy College, Ashta gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. Our college has been organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents.

Blood Donation Camp

A Blood Donation Camp was organized on 24th September 2022 by Sant Dnyaneshwar Shikshan Sanstha's Annasaheb Dange College of B. Pharmacy, Ashta in association with Arpan Blood Bank, Kolhapur on the auspicious occasion World Pharmacist Day.

To mark this event, the inaugural function was conducted at Seminar Hall of Annasaheb Dange College of B. Pharmacy, Ashta.

The camp was inaugurated in the hands of Prof. (Dr) M. G. Saralaya by cutting the ribbon. Principal Prof. (Dr) M. G. Saralaya delivered welcome address and highlighted the purpose of organizing this Blood donation camp, also he expressed best wishes to all the students teaching staff, Non teaching staff. Principal Prof. (Dr) M. G. Saralaya Sir felicitated to Miss Asha Adate (Shaswat Blood Bank) and her team were felicitated by dignitaries on the date.

During the opening remark Principal Prof. (Dr) M. G. Saralaya expressed his gratitude to the Principal, Teaching and Non-teaching staff and students for organizing this Blood Donation Camp. He also stressed on the growing need of blood in the state and commended the young volunteers for their noble act. Some points from his speech are – "As we all know that blood is a base of every human life and there is no life without blood, this makes its value priceless. The most important thing about donating a blood is that it should be a voluntary donation therefore we have organized this event."

Finally Mr. H. P. Khade delivered vote of thanks. He had given special thanks to all authorities of Shashwat Blood Bank Miraj for arranging all necessary requirements for conducting the Blood donation camp. Then blood camp begins with registration of donors. The students of Final year B. Pharmacy helped the team members of the Shashwat Blood Bank Miraj to conduct the camp. The hemoglobin content of the students / donors was checked before donating the blood. Also checkups for blood pressure and other tests were conducted.

Dr. Prakash V. Gadve and Mr. Madhav Dhavalikar and their team were worked enthusiastically.

Blood Donation Camp

There was excellent response to this blood donation camp. Total 38 volunteers came forward to donate blood during camp which includes teaching and non-teaching staff, students. Blood donors were given refreshments after donating the blood in order to reenergize themselves. Mr. R. D. Patil, Mr. A. B. Surve, took immense care to meet the requirements of donors after donating the blood, so as to avoid any mishaps in the campus. In recognition of their noble services the Shashwat Blood Bank authorities issued all the donors the certificate of honor.

Finally, on behalf of Shashwat Blood Bank Dr. Prakash Gavade and Mr. Madhav Dhavalikar issued certificate of honor with mementos to Principal Prof. (Dr) M. G. Saralaya for organizing this blood camp. Whole team of Blood Bank thanked to Principal Prof. (Dr) M. G. Saralaya, all teaching and non-teaching staff and volunteers for successfully organization of this blood donation camp.
