Introduction

Government of India is implementing various programs/schemes and legislations to address various forms of gender Sensitization. The root cause of gender discrimination is the patriarchal mind set prevalent in the Indian society. Though this mind set is changing with urbanization and education, still there is long way to go for a permanent change in the scenario.

Sex ratio at birth has improved from 918 in 2014-15 to 943 in 2021-22 and female literacy rate has increased from 55.1% in 2004-05 to 68.4% in 2015-16. As per NCRB data, which is available up to 2016, 339457, 329243 and 338954 cases were registered as crime against women in the years 2014, 2015 and 2016 respectively. Over the years various legislations have been enacted. In the changed environment, now more and more women are accessing criminal justice system to complain against the harassment suffered in educational institutes, workplaces and various other public organizations in India.

Objectives

- Achieve gender equality and empower all women and girls.
- To reduce the barriers caused due to discrimination and gender bias
- To provide an integrated and interdisciplinary approach to understand the social and cultural constructions of gender that shapes the cultural and social experiences of women and men in society
- To make the young boys and girls gender sensitive and create positive values that supports the girls and their rights

Social & Extension Cell of Annasaheb Dange College of Pharmacy, Ashta celebrated World Environment Day. World Environment Day has given our students an opportunity to widen their vision, attitudes and commitments in the area of environmental preservation and enhancement. Students of our college organised the following programme as part of the World Environment Day on Monday 05th June 2017

Grow your own forest, as a part of this programme the volunteers planted one sapling each at their home which inspires and encourages them to plant more saplings in and around their communities and being a part of greener earth.

Seed you sow, as a part of this programme the volunteers would collect as many seeds as possible for a week which will help them to build and manage a sustainable ecosystem for future generations.

Finally thanks to our Management, Principal Dr. D. R. Jadage sir & all staff members for this wonderful idea.

GANESH FESTIVAL REPORT

Ganesha is known as the God of wealth, senescence, knowledge, wisdom and prosperity, and that's why most Hindus remember him and seek his blessings before starting any important work. Lord Ganesh is known by 108 different names like Gajanana, Vinayaka, Vighnaharta among others. Ganesh Chaturthi, also called Vinayaka Chavithi, is an auspicious Hindu festival which is celebrated for 10 days every year

The festival is celebrated in the Bhadra month as per the Hindu calendar which generally falls in mid-August to September. It is believed that devotees who pray to Ganesha are able to fulfil their wishes and desires. So, the main essence of Ganesh Chaturthi is that devotees who pray to him are set free of sins and it leads them on the path of knowledge and wisdom

Historically, the festival has been celebrated since the time of King Shivaji. It was during India's freedom struggle that Lokmanya Tilak changed Ganesh Chaturthi from a private celebration to a grand public festival where people from all castes of the society can come together, pray and be united

With positive spirit our college have also celebrated Ganesh Chaturthi from 25/08/2017 to 05/09/2017 Ganesh Murti Stapna was done on 05/09/2017 in our ADCET premises. Students of all year with their respective committee made overall decoration for festival and Stapna was carried out. Every day all the students and staff use to gather and do the Aarti of Lord Ganesha and take the blessing for over development of the college and the students

During this festival students understood the how to do the team work, communication skill and leadership skill Such kind of festival will develop the students in different angels which will help our students in their life to rule out the hurdles Over all the festival was carried out for 10 days and at the end of 10 day Ganesh Visargen was done

Report

Chhatrapati Shivaji Maharaj Jayanti 2018

Chhatrapati Shivaji Maharaj who we all know as the founder of the Hindavi Swaraj, has been a continuous source of inspiration to all the thousands of not only Maharashtrian people but also to those who are foreign. Chhatrapati Shivray had sculpted an entire kingdom which was free from Mughal regime which was a huge challenge as the whole of India was ruled by Mughals and other similar foreign invasions. We know Maharaj only as a king, but he was more than that. He was a king, visionary, a great administrator, economist and a compassionate but a fierce patriot who for his sheer love for country, arose a great rebellion after a long history of 800 years of tyranny and cruelty

On the occasion of birth Anniversary of Chhatrapati Shivaji Maharaj, Chhatrapati Shivaji Maharaj Jayanti was celebrated with a lot of enthusiasm and energy on Monday 19th February 2018. Students from B & D Pharmacy participated in celebration of Chhatrapati Shivaji Maharaj Jayanti. The event was stated with Shivgarjana followed by Aarti.

GANESH FESTIVAL REPORT

Ganesha is known as the God of wealth, senescence, knowledge, wisdom and prosperity, and that's why most Hindus remember him and seek his blessings before starting any important work. Lord Ganesh is known by 108 different names like Gajanana, Vinayaka, Vighnaharta among others. Ganesh Chaturthi, also called Vinayaka Chavithi, is an auspicious Hindu festival which is celebrated for 10 days every year

The festival is celebrated in the Bhadra month as per the Hindu calendar which generally falls in mid-August to September. It is believed that devotees who pray to Ganesha are able to fulfil their wishes and desires. So, the main essence of Ganesh Chaturthi is that devotees who pray to him are set free of sins and it leads them on the path of knowledge and wisdom

Historically, the festival has been celebrated since the time of King Shivaji. It was during India's freedom struggle that Lokmanya Tilak changed Ganesh Chaturthi from a private celebration to a grand public festival where people from all castes of the society can come together, pray and be united

With positive spirit our college have also celebrated Ganesh Chaturthi from 13/09/2018 to 21/09/2018 Ganesh Murti Stapna was done on 21/09/2018 in our ADCET premises. Students of all year with their respective committee made overall decoration for festival and Stapna was carried out. Every day all the students and staff use to gather and do the Aarti of Lord Ganesha and take the blessing for over development of the college and the students

During this festival students understood the how to do the team work, communication skill and leadership skill Such kind of festival will develop the students in different angels which will help our students in their life to rule out the hurdles Over all the festival was carried out for 10 days and at the end of 10 day Ganesh Visargen was done

Chhatrapati Shivaji Maharaj Jayanti 2019

Chhatrapati Shivaji Maharaj who we all know as the founder of the Hindavi Swaraj, has been a continuous source of inspiration to all the thousands of not only Maharashtrian people but also to those who are foreign. Chhatrapati Shivaji Maharaj had sculpted an entire kingdom which was free from Mughal regime which was a huge challenge as the whole of India was ruled by Mughals and other similar foreign invasions. We know Maharaj only as a king, but he was more than that. He was a king, visionary, a great administrator, economist and a compassionate but a fierce patriot who for his sheer love for country, arose a great rebellion after a long history of 800 years of tyranny and cruelty

On the occasion of birth Anniversary of Chhatrapati Shivaji Maharaj, Chhatrapati Shivaji Maharaj Jayanti was celebrated with a lot of enthusiasm and energy on Tuesday 19th February 2019. Students from B & D Pharmacy participated in celebration of Chhatrapati Shivaji Maharaj Jayanti. The event was started with Shivgarjana followed by Aarti.

A Report on AIDS Awareness Program

(Conducted on 01st December 2019)

Date of the Event: 01st December 2019

Name of the Event: Awareness Rally on AIDS Day.

Venue: Ashta, Grampanchayat Mirajwadi, Shirgaon & Hubalwadi

No. of Participants: 190

World AIDS Day is observed annually on December 1st, creates awareness about the Aids pandemic caused by the spread of HIV infection. The theme for the 2019 observance is "Ending the HIV/AIDS Epidemic: Community by Community". In the college, 1st to 6th December was conducted as AIDS awareness week. Various activities were conducted through the Social & Extension unit. On 1st December principal Dr. R. B. Jadhav gave information about Aids, He told that HIV is spread primarily by unprotected sex (including anal and oral sex), contaminated blood transfusions, hypodermic needles, and from mother to child during pregnancy, delivery, or breastfeeding. Some bodily fluids, such as saliva, sweat and tears, do not transmit the virus.

Methods of prevention include safe sex, needle exchange programs, treating those who are infected, pre- and post-exposure prophylaxis, and male circumcision. Disease in a baby can often be prevented by giving both the mother and child antiretroviral medication. There is no cure or vaccine; however, antiretroviral treatment can slow the course of the disease and may lead to a near-normal life expectancy. Treatment is recommended as soon as the diagnosis is made. Without treatment, the average survival time after infection is 11 years. In collaboration with Grampanchayat of Mirajwadi, Hubalwadi & Shirgaon various programmes were

organized on 5th December 2019. In the morning principal, Dr. R. B. Jadhav, 5 members and 190 volunteers actively participated in AIDS Awareness Rally which was started from college and moved in villages. Through Street Play volunteers spread awareness on 'AIDS'. They explained the meaning of 'AIDS', its various causes, ways of transmission of 'AIDS' & various ways through which AIDS does not spread. After the completion of street play, PMT doctors addressed the crowd regarding various causes of 'AIDS' i.e. unprotected sex, HIV/AIDS infected mother to her unborn child, use of infected needles & syringes & transfusion of infected blood. They also spread awareness on various ways due to which AIDS does not spread such as social contact like shaking hands or hugging, cough or sneezing, sharing utensils & through mosquito bites.

Lastly in the college Principal and Sarpanch & Gramsevak gave Pledge of being safe from HIV/AIDS. At the end Mr. S. M. Honmane expressed vote of thanks to principals, students and villagers.

Chhatrapati Shivaji Maharaj Jayanti 2020

Chhatrapati Shivaji Maharaj who we all know as the founder of the Hindavi Swaraj, has been a continuous source of inspiration to all the thousands of not only Maharashtrian people but also to those who are foreign. Chhatrapati Shivray had sculpted an entire kingdom which was free from Mughal regime which was a huge challenge as the whole of India was ruled by Mughals and other similar foreign invasions. We know Maharaj only as a king, but he was more than that. He was a king, visionary, a great administrator, economist and a compassionate but a fierce patriot who for his sheer love for country, arose a great rebellion after a long history of 800 years of tyranny and cruelty

On the occasion of birth Anniversary of Chhatrapati Shivaji Maharaj, Chhatrapati Shivaji Maharaj Jayanti was celebrated with a lot of enthusiasm and energy on Wednesday 19th February 2020. Students from B & D Pharmacy participated in celebration of Chhatrapati Shivaji Maharaj Jayanti. The event was stated with Shivgarjana followed by Aarti.

GANESH FESTIVAL REPORT

Ganesha is known as the God of wealth, senescence, knowledge, wisdom and prosperity, and that's why most Hindus remember him and seek his blessings before starting any important work. Lord Ganesh is known by 108 different names like Gajanana, Vinayaka, Vighnaharta among others. Ganesh Chaturthi, also called Vinayaka Chavithi, is an auspicious Hindu festival which is celebrated for 10 days every year

The festival is celebrated in the Bhadra month as per the Hindu calendar which generally falls in mid-August to September. It is believed that devotees who pray to Ganesha are able to fulfil their wishes and desires. So, the main essence of Ganesh Chaturthi is that devotees who pray to him are set free of sins and it leads them on the path of knowledge and wisdom

Historically, the festival has been celebrated since the time of King Shivaji. It was during India's freedom struggle that Lokmanya Tilak changed Ganesh Chaturthi from a private celebration to a grand public festival where people from all castes of the society can come together, pray and be united

Principal Prof (Dr) M G Saralaya sir guided the students about celebration of Ganesh Festival and it's important. With same spirit our college have also celebrated Ganesh Chaturthi from 10/09/2021 to 21/09/2021 Ganesh Murti Stapna was done on 10/09/2021 in our ADCET premises. Students of all year with their respective committee made overall decoration for festival and Stapna was carried out. Every day all the students and staff use to gather and do the Aarti of Lord Ganesha and take the blessing for over development of the college and the students

During this festival students understood the how to do the team work, communication skill and leadership skill Such kind of festival will develop the students in different angels which will help our students in their life to rule out the hurdles Over all the festival was carried out for 10 days and at the end of 10 day Ganesh Visargen was done
