ABOUT INSTITUTE

Sant Dnyaneshwar Shikshan Sanstha has been established in 1986 with single minded goal to empower students through quality education from all sections of the society. The Annasaheb Dange College of B Pharmacy, Ashta is one of the foremost pharmacy Institute in the Western Maharashtra established in 2016 by the Hon. Ex. Minister, Dr. Annasaheb Dange. Currently institute offers B. Pharmacy program (100 Intake) and D. Pharmacy program (60 Intake) approved by Pharmacy Council of India, New Delhi, AICTE, New Delhi, Government of Maharashtra, DTE, Mumbai and affiliated to Shivaji University, Kolhapur and MSBTE, Mumbai. The institute is recognized by the UGC under section 2(f) of the UGC Act, 1956. The institute is accredited by NAAC with 'A+' Grade and 3.48 CGPA. The D. Pharmacy program is accredited by National Board of Accreditation (NBA).

At this unique institution, we refine the academic skills, fine-tune the aesthetic senses and work towards building a holistic culture that values the individuality of each student, helping them to realize their innate potential. Research-based learning is the norm at our institute; where each student is guided through an individualized work plan in consonance with his/her potential, thereby providing a complete learning experience.

ABOUT CONFERENCE

The 1st "National Level Conference on Recent Advances in Drug Design" has been organized by Annasaheb Dange College of Pharmacy Ashta, Maharashtra, India, on 5th and 6th February 2024.

This conference offers scientists, research scholars, students, delegates, and exhibitors an invaluable opportunity to enhance their expertise in drug design and discovery.

We cordially invite you to participate in this event, providing a platform for meaningful engagement with local and national professionals and colleagues.

The conference aims to assist you in implementing recent advances, and proven methods, enabling more successful, and effective research practices in the field of drug design and discovery.

OBJECTIVE OF CONFERENCE

- To bring academicians and researchers together to discuss the most recent advances in drug design including modern technologies.
- To emphasize on target identification, drug candidate screening, rational drug design, drug synthesis, pharmacological activities of molecules, and Artificial Intelligence methods for development of better therapeutics.
- To get comprehensive understanding of the drug design process to the participants for their careers or research endeavours.

REGISTRATION FEES

- D. Pharm Students: 300/-
- UG Students: 400/-
- PG Students: 500/-
- Ph. D Scholars / Faculty: 700/-
